

CARE GROUP

**Jenny Holian**

**Deputy Manager**

**Jenny is an empathetic and dedicated Senior Residential Childcare Officer with 25 years of experience supporting and nurturing young lives.**

**She previously led a team of 10 residential staff at Trafford Borough Council, where she ensured the highest standards of care through mentoring, training, and fostering a collaborative, safe environment for both children and staff.**

**With a deep understanding of trauma-informed practice and child safeguarding, Jenny played a key role in multi-agency strategy meetings, working closely with social workers, educators, and health professionals.**

**Throughout her career, Jenny has been a passionate advocate for the well-being and development of children aged 11-18, providing tailored care and implementing individual care plans in collaboration with a wide range of professionals.**

**She is committed to empowering children through group workshops focused on building self-esteem, resilience, and social skills. Her nurturing, flexible approach, combined with her dedication to creating empowering environments, makes her a trusted and compassionate leader in residential childcare.**
